- a. Dan Porter Park Cleanup Summary Christina Swan
Park was cleaned up – would have scheduled another clean-up if picnic was happening.

- b. 2021 Clinton Picnic Doug Hofius
Due to organizers leaving the committee through absence or death and Covid – question whether to hold picnic this year. Christina reported on budget to hold picnic - \$1764. Approx \$800 left in bank from last year. Income expected \$2550, so we can afford to hold it with some fundraising. FOCL agreed to pay for entertainment (\$300). Discussion about whether to hold picnic.

nor are legislators or governor. Melanie reported that commissioners are also very frustrated. Dave getting lots of emails about how new Mukilteo terminal being run – folks cutting in line, getting into wrong lines, etc with very little control. Beth asked how we can help. Dave said funnel complaints through ferry advisory committee (many folks are not doing that). Next Door is getting lots of complaints but not in a position to help.

7. Public Input and Discussion

Dave Hoogerwerf

Melanie Bacon – public works brought Clinton Gateway project issues to board and everything on track. She attended port district meeting and one discussion was about boat launch solution on south end. Maxwellton and Mutiny Bay launches both out of commission. Dave reported county said they were committed to keeping Maxwellton launch when they cleared it two years ago. No follow up and county now saying it's not in budget. Different solution being looked at. We need working boat launches to get folks off island in emergencies. Lots of talk about forestry issues – concern about clearcutting going on. Fireworks will be discussed also this year.

8. Adjourn
