3. Monthly Program: Chris Kelley, Island County Hydrologist and John Lovie, local resident with knowledge of ground water and aquifers. John spoke about our local aquifers. He said Clinton gets plenty of rain to re-charge its aquifers, and there are no PFAs found in any south end well. He summarized with "Clinton is not in danger of running out of water but we should be more careful how we use it. John and Chris answered many questions from the audience.
4. Public input: none

5. Treasurer's Report – Account and Budget Status    Don Simmons

Written report submitted. Our current balance: \$2801.85. Net income – year to date: \$509.34. The written report now includes a year-to-date budget report and a list of those who have paid dues in the current year. Our income to date, for 2025, is 93% of budget and our expenses are 53% of budgeted amount.

- a. Legislative Committee    Shauna Causey
- No report

6. Member/Organization Updates  
Organizational representative members of CCC will submit written reports to update CCC on each organization. These will be included with the agenda as an attachment.

New Business:

We discussed the projector used for our meetings. It is inadequate. Mike G reported that the Hall will not upgrade. Dave volunteered to look into the cost of an up-to-date model.

Mike Turnbull was put forward by the nominating committee as a candidate for a vacant at-large position. Mike G moved to elect him to that position. Phyllis seconded.

Approved.
