Guest presenter

Port district Executive director, Jim Pivarnik. "The Port of South Whidbey is experiencing exciting growth and momentum through major infrastructure improvements and new economic opportunities across the district. Recent upgrades are helping modernize facilities, improve public access, and support long-term community development. The Whidbey Island Fairgrounds is welcoming new businesses and expanded activity, creating fresh opportunities for local vendors, entrepreneurs, and visitors. The Port has also successfully secured a new grant for a passenger-only ferry dock in Clinton, an important step toward improving regional transportation connections. Possession Beach Park is getting boat ramp upgrades this year. In addition, plans for seasonal passenger ferry service between Everett and Langley are generating a lot of enthusiasm by increasing tourism, supporting local commerce, and enhancing travel options for residents and visitors alike."
